About Michael Crossland

As seen on Sunrise, Studio 10, Daily Edition, Australian Stories, MTV, Fox Sports News to name just a few, Michael Crossland is not only a businessman, elite athlete, Queens Baton bearer for the Commonwealth Games and one of Australia's most in-demand keynote speakers, but he is also a best selling author across 6 different countries, has worked with troops in Iraq, pro athletes around the globe who runs an orphanage and school in Haiti.

As seen on Sunrise, Studio 10, Daily Edition, Australian Stories, MTV, Fox Sports News to name just a few, Michael Crossland is not only a businessman, elite athlete, Queens Baton bearer for the Commonwealth Games and one of Australia's most in-demand keynote speakers, but he is also a best selling author across 6 different countries, has worked with troops in Iraq, pro athletes around the globe who runs an orphanage and school in Haiti.

A fighter since birth, Michael has defied the odds of surviving not only a rare form of life-threatening cancer but as the sole survivor of a horrific cancer drug trial. In his presentation, "The power of perspective", Michael will share his remarkably inspiring story of overcoming extreme adversity to achieve incredible outcomes in both his personal and professional life. One may think his sessions would be filled with sadness however his ability to inspire, entertain and have the audience in fits of laughter will leave you amazed. He will no doubt help shift your mindset, instil perspective but also leave you with powerful tools that will assist in both your personal and profession lives.

Michael has shared the stage with the likes of Sir Richard Branson & the Dalai Lama, & a recent video of him speaking in LA has been viewed by more than 87 million people. His raw, real and truly life-changing story will undoubtedly bring a tear to your eye, a smile to your heart and leave you with a renewed perspective on life but with his perfectly times humour will have you laughing out loud. This is a presentation not to be missed!

Select Keynotes
